Ideas

1. Be familiar with slave culture, community, and resistance.
2. Be familiar with the groups that made up white southern society. How were their interests similar? Different?
3. Be familiar with the events and developments that led to a Whig victory in 1840.
4. What were U.S. goals in the Mexican war?
5. How did the Mexican War reshape national politics and intensify debates over slavery?
6. Be familiar with the varied interactions between the United States and Indian nations.
