[Note: I found all of these books in EIU online catalog, from <http://www.library.eiu.edu/welcome.asp>, and they are all related to possible research/writing subjects for this course. I saved each citation into Zotero (which we will learn later), and then I created the bib through Zotero which took me about a minute or two. It is not 100% correct, but I bet it is 80% better than any bibliography you have created before! If the book you want is checked out; go to the next one. Please bring your paper AND the book itself on 30 Jan.]
